Wireframe
Link to your online wireframe: If you created your wireframe with an online tool like StorySite wireframe tool, please provide a direct link to your wireframe. If you have a PDF file, please upload it into the Dropbox folder.

Photos & Images

Tell us about the types of images you'd like to use

You can upload your own photos to Dropbox, or describe the types of stock photos you'd like. Giving us an idea of the demographic of people you'd like to see in the images is helpful.

Videos

Would you like to include videos on your site?

If so, just add links to videos hosted on YouTube or Vimeo.

Colors

Do you have any colors in mind for your site?

Would you like to use the default template colors, provide specific color codes, or have us choose for you?

Lead Generating PDF

Do you have a lead generating PDF you'd like to include?

If so, please upload it into the Dropbox folder.

Email Marketing List

Name of email marketing system

Have an email list you'd like us to connect to your site? Please include what system (e.g. MailChimp, HubSpot, Convert-Kit)

Username

Password

Domain Name

When would you like us to launch your website?

You can choose to have us launch your website at the end of your live design review session or any following Wednesday. If you'd like to launch the site yourself, we can provide easy-to-follow instructions.

What's your domain name provider?

e.g. GoDaddy, Hover, Squarespace, Network Solutions

Username

If you prefer to share access of your account instead, please share with team@storysite.co.

White Labeling

Is this project white labeled?

If so, can you tell us about your client's involvement?

For example, are they aware that StorySite is building the site? Will your client be at the live design session? Note: we recommend that your client is available during your session in case you need to contact them.
